"The information in this document is provided by Equestrian Victoria in good faith to be used as a guide only. It is not intended to be relied upon. Event dates and other details are subject to change without notice. Please check the EV website (or contact EV or the event organiser directly) for further details about all events, including relevant insurance details (where applicable). EV does not warrant that an event will be covered by adequate insurance at the time of the event. Horse sports are inherently dangerous and each participant in an event participates at their own risk. No responsibility can be accepted by EV for loss occasioned to any person doing anything as a result of any material in this document."

Calendar:

Permission to hold an Official Dressage Event or competition Must be made in writing to the EV Office.

EV requires notification of all Participation event dates.

EV requires notification of cancellation of any event. Date

Changes must have the approval of the EV Office.

General Consideration:

Organising bodies wishing to conduct Official Competitive or Participation dressage events in Australia must be currently Affiliated with EA.

Competitions must be run in accordance with the current EA Dressage Rule Book.

Welfare of the horse is paramount at all events.

OC's are responsible for assessing environmental issues such As extreme heat, storms, high winds etc which may make conditions for running an event unsafe for competitors and their horses.

Entry checks to be sent to the office prior to the competition to include EA registration numbers for both member and horse.

Results to be sent to the office within 7 days of the Competition date and must include EA registration numbers for both member and horse.

Abiding By Competition Rules

All organising committees (OCs) and competitors must be aware of the rules governing the sport. The rules are in place to make a fair competition for all involved. Should a competitor or organising committee have a grievance relating to the sport, they are encouraged to put their complaint in writing to the Dressage Sub Committee (EV office) so the matter can be handled appropriately

Official Entry Form

Entry forms can be found on the website:

<http://www.vic.equestrian.org.au/dressage/sites/default/files/Entry%20Form%202014.pdf>

The entry forms also requests that you supply a volunteer wherever possible.

Most draws are now available through either EV or club websites and e-mail – so please remember to supply your email address for ease and speed of distribution of draws and other competition information.

Please note that the generic entry form is not for use at major championships such as Dressage With The Stars, Saddleworld Dressage Festival and Young Rider Championships – these events have their own schedules and entry forms which can be downloaded from the EV website several months prior to the event.

Closing Dates

Competitors are asked to note the requirements attached to each event and abide by them. Please note the closing date of entries is the final day that entries are received, NOT the day you should post them. With the popularity of the sport growing all the time, most clubs accept entries in order of receipt, so if you leave it until the last minute there is a strong possibility that you will be placed on a reserve list or have your entries returned. Please note that payment for your entry must accompany the entry form – there are expenses that need to be paid by organising committees in order to put the event on for you.

Calendar Changes

Any changes that occur after the Calendar has been printed will be placed on the EV website, EV Newsletter and Facebook page. For further information and updates, please visit the website www.vic.equestrian.org.au.

Dressage Levy:

\$2.00 dressage levy per competitor per class is applicable and Payable to Equestrian Victoria.

Refund Policy

In an attempt to further unify dressage within the state, the Victorian Dressage Sub Committee created a unified policy (effective 1st July 2006) across all affiliated dressage events, regarding refunds for horses scratched from EV affiliated dressage competitions in Victoria.

“There will be no refund without a vet/medical certificate. After the closing date, upon presentation of a vet/medical certificate, the refund will be the entry fee minus 50% to cover event costs. Before the closing date, refunds will be the entry fee minus a \$10 admin fee per horse.”
The refund policy applies to any event that is cancelled regardless of the reason. Refunds for cancelled events will be issued automatically by the organizing committee, i.e. No vet or medical certificate required.

All competitors should appreciate that putting on an event can be quite costly for the host club. There are several fees that must be paid – for example, venue hire, judges, catering, prizes, printing, phones, etc. Hopefully one, united policy will help prevent confusion among both competitors and clubs.

Werribee Park NEC Facility Fee

The Werribee Park National Equestrian Centre Facility Fee is to be paid for each horse that comes onto the grounds of WPNEC. At the time of the handbook going to print the facility fee is \$16 per horse per day. Please check the WPNEC website (www.wpnecc.com.au) before you enter to ensure that you are paying the correct fees.

Accreditation seminars of all levels are presented at a range of locations throughout the state by suitably qualified Judge Educators.

Have you considered a career in Judging?

The growth in dressage competition has put a great strain on the existing judges' panel and our judges' cannot always meet the requirements of regional competitions, HRCAV, Eventing and Pony Club.

Become accredited through a nationally recognised system (NOAS) - supported by the Australian Sports Commission.
