This Ewan Kellett designed course was built for the 2008 Pony Club State Championships and has been refined and further developed for EA classes to CNC\*. A number of new fences were added to the course in 2016, increasing the variety and challenge. It is a technical course with lots of interesting questions for both horse and rider. A number of fences are under maximum height, so great for bringing on young horses. The terrain is open, with gentle undulation to give a good galloping track that is a lot of fun. **We offer classes from Pony Club Grade 4 to CNC\***
