CROSS COUNTRY COURSE: Ongoing development of the XC course has seen majority of jumps rebuilt over the last 3 years, track quality has been improved by grading the current tracks. Ewan Kellett designed water jump complex was completed in 2012. The course now starts higher and gently follows the line across the contours, working its way downward then with a short uphill run to a new finish line.

Main arena surface was upgraded in 2010 and all Dressage and Show jumping will be conducted on all weather sand arenas.
