Description of Cross Country Course	The original Ewan Kellett designed course was built for the 2008 Pony Club State Championships and has been further refined and developed this year by Mick Pineo and Sylvia Roberts. New fences have been added over the years thus increasing the challenge and variety of the course. This is a technical course that has proved very popular with the riders and provides the right amount of variety and challenge. A number of the fences are under maximum height and ideal for bringing on young horses. The terrain is open with gentle undulation and provides a good galloping track and plenty of enjoyment. This year we have included classes from Pony Club Grade 4 to CNC 1.5*
