## Role of EA/FEI Stewards

**Stewarding Motto** "Help, Prevent, Intervene"

To protect the welfare of the horse, ensure fair play for all competitors and support the Organizing Committee (OC) in the successful running of the event in line with the EA/ FEI rules and regulations

The stewards' principal aim is to endeavor to ensure that competitors participating in events do so with the utmost respect for their horses, officials, the public, their fellow competitors and all those involved in the sport.

*A rewarding role working in a team with officials and organizing committees to assist riders to compete on a level playing field and ensuring welfare of the horse is paramount.*
