

Provisional draw as at 6th November

Australian Sports Pony Registry Inc.

**Welcome to the
2014 Pryde's EasiFeed Open
Dressage Competition
Werribee Park NEC**

This provisional draw lists all times for **Saturday 8th November**. Please note that it is subject to alteration and riders **must** check the ASPR web site prior to the event to confirm times. On the day of the event, riders may be required to ride earlier than the advertised time, dependant on scratchings.

All riders must present to the event office on arrival.

So that our day runs smoothly and on time, please ensure that you present for your gear check (compulsory for each dressage test) at least 20 minutes prior to the scheduled start time. Riders should note that if you do present to the judge for your test later than your scheduled time, the judge reserves the right to refuse you entry to the arena.

The **onus is on the rider** to know the rules so it is strongly suggested that riders make themselves familiar with the EA Rules for Dressage - these can be downloaded from the EA web site at www.equestrian.org.au

- Two bridle or saddle blanket numbers *must* be displayed (near side and off side) at all times when the horse/pony is outside of it's stable or yard. Riders must supply their own numbers.
- **A gear check is required for each and every test.** *Failure to present for a gear check may result in elimination.*

We hope that you have an enjoyable day and we look forward to meeting you all.

Margie Kuiper, Federal Secretary

Rossanne Mason, Federal President

WARM-UP

Warm-up will be in Ring 5 and the Civinex arena behind Indoor 2.

Laminitis, Cushings Disease, Insulin Resistance, Typing Up, Gastric Ulcers, PSSM or just want a super cool feed suitable for Ponies to Elite Athletes or a Fibre feed that is a completely balanced ration.

HIGH FIBRE, NON-GRAIN FEED FOR SPORT, PERFORMANCE AND BREEDING HORSES

A premium non-grain, fibre based pellet with vitamins, minerals, essential amino acids and cold pressed oils, scientifically balanced to be fed at low rates for all sport, performance and breeding horses.

- Contains digestible fibre and cold pressed canola oil to provide cool and safe energy as well as essential fatty acids for a healthy coat and essential amino acids for muscle development.
- Contains absolutely no grain and has a very low sugar and starch content of less than 8.5%, making it suitable for laminitic, insulin resistant or Cushing's horses, as well as horses suffering with gastric ulcers and typing up.
- Its concentrated formulation is perfect for easy keepers while high levels of vitamin E, vitamin B1 and magnesium help protect muscles from damage during exercise, support immune function and help to calm nervous or hot horses.
