

NOTES FOR MAY SQUAD - WPNEC

1. Many of you are riding two horses at different levels, I have put the level of each group next to the riders, so please bring the correct horse to each lesson.
2. The same few are setting up the showjumps and hardly ANYONE packing up so unfortunately, I have had to go back to nominating people for set up and pack up – which really is a job I didn't want to have to do. Apologies if you have already helped out and I've put you down again, but here goes

Set up Saturday morning 8.00am

Sarah Ray, Jennifer Peck, Paige Gardiner, Imogen Tutton, Sarah May, Molly Parkin

Pack up Sunday at 5.00pm

Meryl Drummer, Lucy Gunn, Emily McQueen, Ben Tyson, Bessie Dimery, Naomi White

There are only the two sets of showjumping rings so shouldn't take long if everyone helps.

3. There are two groups with four (one sj and one xc) if we get riders pull out I will try and make them groups of 3 again (we ALWAYS get riders pull out on the Sunday).
4. Some riders with multiple rides will have to leave a lesson early, or get to the next lesson a bit late, please excuse yourselves to the instructors.
5. Janet is not attending this squad as she has a VERY special celebration, so please find me – our truck has Dreamtime Park on the side of it or my mobile is 0408337211.

Hope the weather improves. Look forward to seeing you all next weekend
