The selection panel of Tim Clarke, Paul Brent, Brook Dobbin, Ally Lamb, Bronwyn Shortt and Scottie Barclay have had the challenging task of selecting these squads and Jumping Victoria sincerely thank them for their time and effort.

Any queries in relation to selection can be addressed by email to Nina jumping@equestrianvictoria.com.au

Squad is a supportive environment for junior and young riders and their parents to gain confidence in participating in Jumping to the best of horse and rider ability. We strive to make it an enjoyable and informative process for all and there is a great program planned for this coming year.

Information regarding plans for the year will be circulated in the very near future. We thank Hygain for continuing their long term support of the jumping squads and look forward to a very successful year in 2017.
