WELCOME

This Handbook contains information and schedules for the 2013-2014 Official Horse Trials in Victoria.
Any alterations to details will be published on the EV website.

GENERAL REGULATIONS

Before making an entry, competitors should carefully read the EA National Eventing Rules. All Official Horse Trials are held under EA Rules and making an entry in these Trials implies acceptance of those Rules. For any eventuality not covered in the Rules and any international events the FEI Rules for Eventing should be referred to.

EQUESTRIAN AUSTRALIA MEMBERSHIP

Riders competing in all classes must be full Senior or Junior members of their EA state branch to compete. Horses competing in Introductory classes do not have to hold current Performance Cards but must be registered.

EA no longer offers day insurance to non-members.

EV MEMBERSHIP CARDS:

All riders must present a valid EA membership card when registering at an event. Any rider without a card must sign a statutory declaration stating they are a current EV member (and therefore covered by insurance) BEFORE being allowed to ride. Any rider not able to produce a valid membership card for any reason is subject to a \$20 fine at the discretion of the Organising Committee.

Most draws are now available through either EV or club websites and e-mail – so please remember to supply your e-mail address for ease and speedy distribution of times.

DECLARATIONS

All competitors must declare their intention to WITHDRAW, by the dates and times stated in the various schedules.

DRESSAGE TESTS

All events will use current EA tests OR current FEI tests as published in this handbook.

Dressage tests are available for download from:

www.vic.equestrian.org.au

It is the competitor's responsibility to ensure they are on time for their dressage test. It remains entirely the discretion of the Organising Committee whether to slot riders who are late into another time.

ELIMINATED / RETIRED COMPETITORS

After being eliminated or retiring for any reason competitors must leave the course immediately. A competitor must WALK their horse off the course either mounted or unmounted. Violators may be fined at the discretion of the EA Technical Delegate.

RETIRING & WITHDRAWING

If you do not intend to present for a phase, please inform the secretary.

NUMBER HOLDERS

Competitors must wear bridle or saddle numbers on BOTH sides of the horse for dressage and showjumping phases. At no event is the wearing of back numbers enforceable in the dressage or showjumping phases.

All competitors must have their own back number holder and medical armband for the Cross Country phase.

Long hair is to be well secured so as not to obscure your back number when on the cross country course. Officials must be able to see your number at all times.

BACK PROTECTORS

As per the FEI and National Eventing Rules, Back Protectors must be worn for the Cross Country phase.

DOGS

If allowed to attend an event dogs should be kept on a lead.

PRIZE GIVING

Please ensure you stay to collect your prize, as a courtesy to the Event Organisers and their sponsors. Organising Committees are under no obligation to provide prizes to place getters who do not remain for the prize giving ceremony.

CLEANLINESS OF PROPERTIES

Most Horse Trials are held on private property; please keep them clean so property owners continue to support our events.

RESERVATION OF RIGHT

The Organisers of Horse Trials held under EA Rules have the right to:-

- To cancel any class or event
- To divide any class
- To transfer competitors between sections of a class
- To alter the advertised times
- To refuse any entry

VOLUNTEERS

Many events now offer a rebate on entries to those riders who provide a volunteer. If you are not riding or have some hours free please offer your assistance to the event Organisers.

ENTRY FEE REFUNDS

As per 2013 Eventing National Rules: Entry Fees will be refunded in full (an administration fee of up to 10% may be deducted) to competitors who withdraw before the close of entries. There will be no refund of entry fees for withdrawals after the close of entries. However stabling/yard and camping fees will be refunded in full.

This Ewan Kellet designed course was built for the 2008 Pony Club State Championships and has been refined and further developed for EA classes to CNC*. It is a technical course with lots of interesting questions for both horse and rider. A number of fences are under maximum height, so great for bringing on young horses. New fences and altered track, changes the course slightly from year to year and maintains interest. The terrain is open, with gentle undulation to give a good galloping track that is a lot of fun.
