JUMPING VICTORIA

HORSE OF THE YEAR

Points Allocation

Points are awarded to the Horse only (not the Athlete/Horse Combination).

Points will start at 15 for 1st, 14 for 2nd, 13 for 3rd and work its way down to 1 point for 15th place. Points are allocated against the actual placing for the class and not the order of placing for Victorian horses.

Horses who are DNS, ELM, RET, DSQ receive a point score of 0 for that qualifying event regardless of placing.

Equality of Points

In the case of an equality of points won by a Horse who are tied in a qualifying round, points are added together and divided equally. Fractions of 0.5 or more are rounded up; fractions of less than 0.5 are rounded down.

In the case of an equality of points won by a Horse who are tied overall after the conclusion of the last leg, the winner will be selected on a count back starting with the most wins down to the placings.

DNS = Did Not Start

ELM = Eliminated

RET = Retired

DSQ = Disqualified

Updated for the 2019-2020 season.
