

The EV Show Horse committee met on February 5th and is pleased to submit the following summary of business.

Barastoc HOTY	<p>With the event scheduled to commence within the next few days, preparations for the event are expected to wrap up shortly, with the venue already being prepared for the arrival of several hundred horses and riders.</p> <p>Arena Familiarisation: The requirements and conditions of arena familiarisation have been shared and competitors advised of any required event information.</p>
EV Summer Show	<p>Despite the heat, the Summer Show went well and considerations have already been made for the 2024 event.</p> <p>A survey has been published after the event and is accessible to all members. With a few responses already received, it has been noted that several considerations will be addressed for the 2024 event.</p>
