Welcome to the 2020 Equestrian Victoria Interschool State Championships

Thank you to all riders, supporters and sponsors of the 2019 State Championships and our team of riders that attended the Australian Interschool Championships. Victoria became the first non-home state to win the Champion State Team trophy at the Australian Championships, this was an amazing achievement and every rider on the team played a part in the Team success. This also resulted in the Victorian Interschool team being selected as a finalist in the Young Team of the Year at the 2019 Victorian Sport Awards with the winner to be announced on 26th February 2020

Just a reminder each rider/horse as a combination must have participated at an Interschool event (excluding Aust Champs) since the 9th April 2019 up to and including 1st March 2020. You do not have to have competed in every discipline or achieve specific scores, you just need to have attended an interschool event. Eventing riders will require a participation qualification as now the only designated Interschool event is Tintern (see further details in conditions of entry)

The 2020 schedule has some changes including:

- Stabling and camping bookings will be made online at time of entry and there will be a minimum booking of 3 nights, only exception is Show Horse only competitors, there is a process to allocate stables which is described in the conditions of entry, schools will be stabled together, there is also no access to WPNEC prior to 3 pm on Wednesday 1st of April
- Volunteers are crucial to run this event, however we recognize volunteering is not possible for all, therefore you can opt to pay a \$50 fee at time of entry that will cover the cost of a paid volunteer and you will be exempt from volunteering. Those riders that have not paid the volunteer fee or Signed-up for a job 7 days prior to the start of the competition will need to pay the \$50 volunteer fee prior to the rider being allowed to compete. This year you cannot wait until the event, you need to commit to volunteer for a job or pay the \$50 fee. If Volunteers do not report to the office to check-in to the job, your rider's points and prizes, qualifications may be withheld, you will be deemed to be in breach of the conditions of entry.
- As this is the first time the event has run in daylight saving time we plan to maximize the twilight hours. Classes will not start before 8.00 am on 2nd April, but throughout the event will run into the twilight hours where required. We have been able to compress the schedule to 4 days to reduce costs to competitors and manage the event costs. Show Horse only will run on Monday 6th to allow competitors time to return from Grand Nationals in Sydney.
- Show jumping is planned to be conducted on the all-purpose grass area, but if circumstances necessitate it will be moved to the all weather show jump arena
- Gear checking will be conducted by EA stewards and swabbing will occur throughout the event
- Class sizes will be capped at 75 riders, see further details in schedule
- Riders need to have Junior Competitive Equestrian Victoria membership to compete. Your horse does not need to be registered
- Riders in Combined Training classes must have helmets tagged.

We again plan to have our unique merchandise which will feature the names of all the riders.

Please read the General Rules and Conditions before you enter, it is also your responsibility to know the discipline rules. The Organising Committee looks forward to welcoming you all to the event and hope you have a great time catching up with friends, enjoying your horses, representing your school and achieving personal bests.

If you have any questions please do not hesitate to contact me.

It is the responsibility of all riders supported by, team managers and parents/guardians to ensure you understand the rules relating to the classes you are entering. Discipline rules can be found here <http://www.equestrian.org.au/sports>

Social Media

Internet social networks such as Instagram, SnapChat, YouTube, Facebook and other forums have proven to be a great way for people to share information, ideas and opinions, and keep in touch with family and friends.

We ask that all Interschool riders and families treat their fellow riders, officials, judges and coaches with respect by ensuring the language and comments they use are respectful, treating others, as they would like to be treated.

It has come to our attention that in the past some people may have posted disparaging and inappropriate comments and materials. It is important to remember that such conduct is absolutely unacceptable and is not in line with

Interschool values and EA Codes of Conduct. Breaches of the Codes of Conduct may lead to disciplinary action.

We would also like to remind competitors and support members of the potential risks that posting your personal information in the public domain may pose to you, your family and friends. Remember many of these sites have features that allow you to restrict access to your information to trusted people. Loading photos of you and your friends, listing your school or work, where you will be going and other personal details in the public domain where the information can be seen by anyone, has the potential to impact your own personal security. Please be aware of this when communicating in such public forums and be careful.

Smoke-free Environment: In accordance with the EA recommends that the following policies be applied to all sporting and social events that we hold or endorse:

- No smoking shall occur at or near sporting events involving children and young people under the age of 18. This policy shall apply to coaches, athletes, officials and volunteers.
- Social events shall be smoke-free, with smoking permitted at designated outdoor smoking areas.
- Coaches, officials, volunteers and athletes will refrain from smoking and remain smoke-free while they are involved in an official capacity in our sport.

Australian Championships

The first and second place getters in Dressage and Showjumping classes for each of the National qualifying events (these are marked by "Nat " in schedule) are eligible to represent Victoria at the Australian Championships to be held in Toowoomba in Monday 28 September through to Friday 2 October 2020. Placing 3rd and 4th in those events may be the team reserves in Dressage and Showjumping.

In Show Horse, place getters 1st to 4th in National qualifying events (these are marked by "Nat " in schedule) will be eligible to represent Victoria, 5th and 6th will be reserves.

In Combined Training, where there is one division of the class placing 5th and 6th in those events will be the team reserves. In the event that a class has 2 divisions, the riders placed 1st and 2nd in each division will be qualified and riders placed 3rd in each division will be the reserves.

In the event of qualified or reserve riders being unable to attend the Australian Interschool Equestrian Championships, the remaining places will be filled at the discretion of the Interschool Committee.

Qualifications are based on the combination of horse and rider, there will be **no substitution of horses or riders in qualified combinations.**

At the Australian Championships riders will be limited to competing in 2 classes, they may still compete on 2 horses, but the limitation of 2 classes per rider will remain. Eg 1 horse in 2 levels of dressage, or combined training and 1 dressage class, show horse and 1 dressage class, 2 horses in 2 different show jumping heights. For the purpose of clarity Class in the Australian Championship schedule refers to 2 dressage tests at the same level, 3 phases of show horse, 3 show jumping competitions at the same height.

Specifically, should a rider/horse combination qualify in Show Jumping or Eventing and also in dressage and/or show horse, riders will need to decide which class to compete in when the Australian Championship schedule has Eventing or Show Jumping scheduled first in the competition. Riders cannot compete in jumping competitions prior to competing in Dressage or Show Horse.

Eventing Team Selection

The Qualification Process for the Victorian Interschool Eventing Team Selection is as follows:

- The riders submit their best four results from competitions between October 1st October 2019 and 15th June 2020
- All submitted results must be from official EA Horse Trials (no Pony Club or Unofficial Classes)
- An MER must be attained in order for the score to count*.
- Horse Trials are open to primary and secondary riders but EA age criteria at some levels apply.
- Only results at the level riders are applying for will be considered.
- Equestrian Victoria will select a panel to consider results and nominate the Victorian team of four riders at each level. This panel will not include any parent of an Interschool rider.
- The process on how to submit results will be advised in June 2020.

Minimum Eligibility Requirement (MER) to earn points.

- Minimum of 55% in dressage
- no jumping penalties cross country and less than 30 time penalties
- no more than 16 jumping penalties in show jumping, (time penalties are allowed).

Interstate Competitors

Competitors from states other than Victoria are eligible to compete in the Equestrian Victoria Interschool Championships. As these are interschool events, rather than general EA young rider or junior events, riders will be representing their schools and therefore will very likely have to qualify in the state jurisdiction of their school.

Parents may wish to inquire with their schools what their policy is if they are very close to the border. It is likely the schools have dealt with these issues before and can provide some form of clarification to parents about their policies on student representation. Interstate competitors will require a letter of permission from their school acknowledging that should an interstate competitor qualify for the Australian Championships, the competitor will represent Victoria at the Australian Interschool Equestrian Championships, and not the state in which they attend school.

Refund Policy

Withdrawal of entries prior to the close of entries will have a refund of entry fees less a \$25 administration fee.

There will be no refund of entry fees after close of entry, a *substitution can only be made within 3 weeks of close of entry* subject to the substituted horse /rider being qualified to compete. Facility fees will be refunded on production of a vet or doctors certificate within 7 days of the end of the event

Requests for refunds of camping and stabling costs will be at their discretion of the organising committee.

A minimum 80% of entry fees will be refunded if any competition is cancelled in its entirety due to any circumstances beyond the control of the organising committee.

Reservation of Right

The Organising Body reserves the right:

- To cancel any class or event
- To divide any class
- To transfer competitors between sections of a class
- To alter the advertised times
- To refuse any entry, with or without stating the reason

Dress

Riders are to wear their school shirt (and tie) with school jumper, light coloured jodhpurs and smooth-soled, low- heeled boots (short or long, refer discipline rules). Gloves are compulsory for Dressage, preferably light coloured. Gaiters and long boots may be worn in all disciplines **except Show Horse**, where top boots and gaiters can only be worn by competitors 18 years and over in rider phases.

Helmets

Riders must wear an approved helmet with the chin strap fastened at all times. Protective headgear must conform with one of the current approved safety standards:

- Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
- New Australian standard ARB HS 2012 provided they are SAI Global marked.
- Current American standards ASTM F1163 (2004a or 04a onwards) provided they are SEI marked, or standard SNELL E2001.
- Current British standard PAS 015 (1998 or 2011) provided they are BSI Kitemarked.
- Interim European Standard VG1 (01.040:2014-12) with or without BSI Kitemark.

Riders competing in Combined Training must have their helmets tagged see [information here](https://www.vic.equestrian.org.au/helmet-tagging)
<https://www.vic.equestrian.org.au/helmet-tagging>. Tagging should be done prior to the event if possible, otherwise an official will be available at the event.

Membership

To be able to participate in State and National Interscholar Championships, **athletes must be current, "COMPETITIVE" members of their State Branch of EA.** (Participant Members are not eligible to compete.) Riders holding current EV memberships should enter their current membership number at time of entry those riders that are not EV members at time of entry will need to take out membership before the start of the competition. At time of entry, new members enter the membership number as 99999 and contact the EV Office for more information on membership or process a new membership online via <http://www.vic.equestrian.org.au>.

Without a current EV Competitive Membership riders will not be allowed to compete.

There is a comprehensive membership check done prior to the event to ensure no rider competes without the relevant membership insurance. It is the entrant's responsibility to meet this criteria.

School Teams

All riders from the same school are considered to be in the school team. At time of entry all riders must enter the school name in the correct format. The top four individual rider's scores for each school are considered for the team aggregate score. No composite teams are allowed.

If a rider has two horses, then each is treated as a separate combination for point scoring and only one can count in the top 4 riders for the school points. Trophy Rugs will be awarded to 4 highest placed riders of the winning school team, with rosettes to all members of first – third placed teams.

Individual Riders

Schools that cannot field a team of four or more competitors are encouraged to enter riders as individuals, provided they are endorsed by the school. School uniform rules apply to individuals as well as teams. Individual riders can qualify for the Australian Interschool Championships.

Award - The Nan McArthur Perpetual Trophy

The Nan McArthur Perpetual Trophy will be awarded to the Champion Individual Rider for both Primary and Secondary Riders. The overall Individual Primary and Secondary Champion will have points accrued from their best four events only. In the case of equality of points the rider achieving the highest points in the highest levels will be declared champion. ie. if a Secondary rider wins 2 prelim tests and 2 x 75cm jumping events this rider will place lower via the countback than a rider who wins 2 elementary tests and 2 x 120cm jumping events.

Presentation of Nan McArthur and team awards will be performed at the winning rider's school after the event, no announcement will be made at the event

Award – Racing Victoria Off the Track Award

Racing Victoria sponsor the best performed retired racehorse in the disciplines of dressage, show jumping, eventing, combined training, show horse and games/handymount.

The winners will receive an embroidered rug. In the case of equality of points in a discipline the horse achieving the highest points in the highest level class will be declared winner. Horses must be nominated for this award at time of entry and the horses racing name provided.

Individual rider and school point's allocation

Each phase/test in a class will have 35 points allocated from 1st receiving 35 points down to 35th receiving 1 point. If there are more than 35 riders in a class they receive no points beyond 35th place. Rosettes will be awarded to first – sixth place getters in all phases.

Championships will be placed 1st to 6th and will be determined based on the points earned across the phases/tests in a class eg. points earned in both novice dressage tests are added together to determine the championship. If you enter showjumping and jump in 3 phases you will receive the points for every phase where a rider places 1st to 35th. ***Championship placings, Freestyles and Pas De Deux classes, do not earn points for individual or team awards.***

Champion points are awarded only where an athlete has completed all phases of a class without elimination or disqualification.

Equality in class placings will be resolved for places 1st to 6th. If equality cannot be resolved, riders will be awarded equal placing and share points. For example one rider may be awarded 6th place and receive 30 points, two riders may be awarded 7th place so each will be awarded 28.5 points, then the next placed rider would be awarded 9th and 27 points.

The individual rider points are determined by accumulating only the best 4 scores for each rider, so the maximum possible points per rider is 140, the championship points are not included only phases/tests.

Team Managers

Team Managers are the point of contact between riders and any Interschool Officials. Team Managers are responsible for distributing/discussing relevant competition information. They are also responsible for ensuring that riders are aware of and adhere to the Codes of Conduct and that team members are ready to compete on time, in the correct arena. It is the responsibility of the Team Manager to obtain individual medical information for riders. All queries and complaints can only be made through Team Managers (not via parents or friends of riders) to the Ground Jury. Team Managers are responsible for

ensuring that nominated helpers report for their duties.

Horses

All horses and ponies must be four (4) years of age or over at the time of nomination based on 1 August birthdate.

Stallions are NOT permitted at ANY Interschool Event as per the EA National Interschool rules.

A rider may nominate to compete with up to three (3) horses at State Championships. Riders need to be aware this may cause schedule clashes that cannot be resolved. Parents are also reminded to consider child and animal welfare when entering classes.

Rider Number

Each horse must wear a bridle or saddle number on each side of bridle or saddle cloth. This must be worn at all times. Competitors are to provide their own number holders.

Gear Check

Gear check is the responsibility of the Team Manager/rider however EA Stewards will also conduct checks. Discipline rules can be found on the EV or EA website. Judges have the right to eliminate a rider if they compete in the incorrect gear.

Objections and Disputes

No competitors or parents are to directly approach any judges, stewards, course builders or any other officials or volunteers before, during or after the competition with disputes or complaints. Objections must be made in writing to the Organising Committee within thirty (30) minutes of completion of the class giving rise to the objection. **A formal protest requires a deposit of \$200.00** that will be forfeited unless the objection is upheld.

All objections must be made through the Team Manager to the Ground Jury and the decision of the Jury will be final and no other discussions will be entered into. No objections will be accepted through parents.

General questions can be asked in relation to errors on results or in relation to the running of the event through the event office.

Volunteers and Helpers

The running of equestrian events relies heavily on volunteers. At the Interschool Championships, volunteers will include numerous parents and other supporters. Abuse by a rider, parent or associated person that is aimed at any volunteer or official at an EA Interschool event will not be tolerated. Incidents of this nature will result in immediate elimination of the rider.

Many of our helpers are experienced, others are not. Be sure to ask for assistance if you are unsure of what to do. To keep the event on time, it is crucial for helpers to report to the Volunteer Coordinator 15 minutes before their scheduled duty begins. Helpers who do not perform their designated duty risk the elimination of their corresponding competitor. It is the responsibility of your helper to notify the Volunteer Coordinator and find a replacement if they are unable to fulfil their allocated duty.

We would be grateful if you could please advise whether any helpers or volunteers are Veterinarian, Doctor, Farrier etc.

In 2020 we will offer the option to **pay \$50 at time of entry if parents are unable to perform a volunteer job for a minimum of 2.5 hours**, this fee will allow us to employ appropriate persons to fill the roles of volunteers.

We use the Sign-Up App and will request volunteers to select their preferred jobs at convenient times when the draft draw is released.

Those riders that have not paid the volunteer fee or Signed-up for a job 7 days prior to the start of the competition will need to pay the \$50 volunteer fee prior to the rider competing. You cannot wait until the event, you need to commit to a job or pay the \$50 fee. If you do not report to the volunteer office to check-in for your job your rider's points and prizes, qualifications may be withheld, you will be deemed to be in breach of the conditions of entry.

Facility Fee, Camping, Stables and Yards

The WPNEC facility fee of \$16 per horse is compulsory and will automatically be charged based on days you are competing at time of entry.

At the time of entry on Nominate you will book your stable and camping if required, it is not compulsory and you may use a yard for free. All bookings will be for a minimum of 3 nights, you may extend the number of nights if required.

There will be no stable/camp site change overs during the event that are booked or managed by the organising committee or Werribee Park Management. If riders wish to organise sharing of the stable for the event then you will need to make private arrangement with another rider and manage changeovers yourself. Schools may see this as an option to share stables. ***The only exception will be if there are Show Horse only competitors that are travelling long distances and require stable for night of Sunday 5th April from 4 pm. This should be noted at time of entry and we will manage these requests separately.***

At close of entries all riders that requested stable bookings will be sorted by school and then a group of stables will be allocated by school based on priority of entry date of the last rider from the school. Therefore, if one school has a rider enter very late the school will be prioritised based on the date the last rider entered. This will not disadvantage any school as long as all their riders enter early.

There will only be limited barn stables (these must be requested on booking) once that allocation is filled, permanent stables will be allocated and then portable stables if required. There is no need for you to select stables or camp site numbers, this will be done during the allocation process.

With camp sites the powered sites will be allocated first, followed by the generator sites. Camp sites will be allocated in school blocks the same as the stables using the order of entry priority.

We cannot offer advance bookings for yards but they will be available for use at no charge, on a first come, first served basis. Yards must be cleaned on departure and you may book and pay for shavings prior to arrival, please no straw to be used.

Organising Committee members that have riders will get priority booking for stables and camping, no other exceptions will be allowed.

There is absolutely no option for riders to make requests to be stabled with anyone other than their school team members. If there is only one rider from a school they are just allocated a stable/camp site based on priority of entry (big schools get no advantage over small schools, everyone needs to just be organised to enter early).

No camp/open fires of any type are permitted

Horses must not be exercised during non-daylight hours. All horse must be in yards or stables during non-daylight hours

Fees:

A to E Block stables \$210 (3 nights) extra night \$35
Portable stable \$210 extra night FREE
F Block (Barn): \$230 extra night \$40
Powered campsites \$75 3 nights, extra night \$25
Extra bale of shavings \$12.50
Stable Sunday 5th April \$140
Yards are free

All stable fees include 6 bags of shavings and cleaning, riders can order additional shavings if required.

Horse/rider combinations must have achieved a minimum of 60% or above on 2 occasions at Official Dressage or VEIS qualifier events prior to entering PSG and Inter 1

Dressage Tests

These can be downloaded from <https://www.equestrian.org.au/dressage-rules>

Dress

Refer to Dress rules in general conditions. Freestyle and Pas De Deux can optionally be ridden in costume

Scoring System

Championships will be decided as per rule 3.19 of the EA Dressage Competition Rules on the following basis:

- Overall Level Championships are to be decided on points system based on the combined results of two tests at each level
- In each test the first placed horse will get 35 points, second will get 34 points, third will get 33 points and so on down to 30th horse receiving 1 point, if there are more than 30 riders in a class they receive no points beyond 31st place.
- If there are more than 35 entries per class, classes will be split into separate divisions and a ride-off will be required to determine the Championship. The top placed riders in each division will ride the highest test at the level, the scores from this ride-off test will be used to rank the Championship. A maximum of 6 riders will participate in the ride-off, therefore if there are 2 divisions, the top 3 riders from each division will be in the ride-off.
- If there is equality in scores in a ride-off after application of the EA scoring rules– if riders on equal scores came from the same championship division, the placing order from the championship will determine the overall placings. If riders were in separate divisions, riders will need to submit their best 3 results for selection by independent person.
- These points are used to determine special Individual and Team Awards
- Pas de deux and freestyles do not earn points towards individual or team awards.

Interschool Championship Combined Training Rules

The Combined Training will run in accordance with EA Rules in the Current EA National Eventing Rulebook, which can be obtained from the website <https://www.equestrian.org.au/Eventing-Dressage-tests>

- From the 1st Jan 2020 you cannot compete in CT or Eventing if your helmet is not tagged to confirm compliance with standards see here <https://www.vic.equestrian.org.au/helmet-tagging> There will be opportunity to have your helmet tagged at the event and at other locations prior to the event.
- Riders are only permitted to compete in one class per horse. The same horse and rider combination must complete both phases of the competition. Elimination from one phase involves elimination from the competition.
- **Each class will be limited to a maximum of 75 riders based on order of entry and if there are more than 35 entries per class there will be two divisions. A waitlist based on order of entry will be used and places will be offered when withdrawals occur only. Please note, some classes exceeded capacity in 2019.**
- Eventing riders cannot enter combined training at a level lower than they are currently eventing at. Jumping riders should ride at the equivalent height eg, secondary riders jumping 75 cm should enter 80 cm CT not 60 cm.
- No whip is allowed in the dressage phase, however whips of no more than 75cm are allowed in the jumping phase.
- The first to fourth place getters of the National qualifying events (these are marked by "Nat column " in schedule) are eligible to represent Victoria at the Australian Championships. Where there is one division of the class placing 5th and 6th in those events will be the team reserves. In the event that a class has 2 divisions, the riders placed 1st and 2nd in each division will be qualified and riders placed 3rd in each division will be the reserves.
- Primary 35cm please read special conditions of entry

Scoring System

- As combined training runs under Eventing rules, riders are placed based on the number of penalties they incur over the 2 phases. This means that the rider with the least penalties when penalties from the dressage and jumping phases are added will be the winner. Dressage penalties are calculated by subtracting the average percentage from 100 and multiplying it by 1.5. The result is always rounded to one decimal point. Jumping penalties are calculated in the normal manner as per Jumping.
- In the case of equal scores for placings in a class, the rider with the best dressage score (least penalties) will be the higher placed. If equality still exists, the closest to the optimum time (under the time set) in the jumping element will be the higher placed. If there is still a tie, then the placings will be shared and the subsequent place not awarded.
- In each class the first placed horse will get 35 points, second will get 34 points, third will get 33 points and so on down to 35th horse receiving 1 point, if there are more than 35 riders in a class they receive no points beyond 35th place. These points are used to determine special Individual and Team Awards.

Athletes with equality of penalties for any place are placed in accordance with the time taken to complete the round. In the event of equality of penalties and time for first place, there may be a jump-off over a shortened course over obstacles, which may be increased in height and/or spread in accordance with the provisions of the schedule. Please note- this is only if faults and times are exactly the same so is very rare that this second round jump off is ever run.

Phase 2 - Two-Phase Article 274 5.3

This competition comprises two phases run without interruption, each at an identical or different speed, the finishing line for the first phase being identical with the starting line for the second phase.

The first phase is a course of 7 to 9 obstacles with or without combinations (Table A against the clock). The second phase takes place over 4 to 6 obstacles, which may include one combination (Table A against the clock).

Athletes penalized in the first phase are halted by ringing the bell after they have jumped the last obstacle or when the time allowed for the first phase has been exceeded, after crossing the finishing line of the first phase. They must stop after crossing the first finishing line. Placing is according to the penalties and time in the second phase and, if necessary, to the penalties and time in the first phase. Athletes stopped after the first phase may only be placed after athletes who have taken part in both phases. In the event of equality for first place, the tied athletes will be placed equal first.

Phase 3 -AM5 Article 238.2.2

This is a competition not against the clock, but in the event of equality of penalties for first place, there will be one jump-off against the clock. Other athletes are placed according to their penalties and time in the first round. All Riders who Jump Clear in the first round will be invited back to complete the second round at a raised height.
