The Victorian Coaching Committee is pleased to announce the second in the series of Professional Development Opportunities for coaches. Experienced coach and judge **Mary Longden** will present this via **Zoom on The 28th of September 2021**.

Mary is an EA Level 3 Coach and Coach Educator, BHSI and RDA Coach. She holds a Masters degree in Special Education and was previously an EA A Level dressage judge, and FEI Para Equestrian (including Sydney Paralympics) & Eventing judge.

If this is not enough, Mary is an International trainer for Eventing and Para Dressage. She was previously Head Coach for Canada and Australia and is a Coach educator, nationally and internationally, for Riding for Disabled and Para Equestrian in Asia, Australia, New Zealand, United Arab Emirates, North America and Europe.

Mary's passion is for training coaches to have knowledge, enthusiasm and enjoyment when working with people with, and without, disabilities. Some riders strive for international medals, while others just want to enjoy safe riding. As a coach you are a very important person in the lives of your clients. There is help available when a rider with a disability approaches you for lessons. Enjoy the journey.

This session looks at:

- strategies for coaching
- the 'team' involved with each rider
- horse suitability and how to train it to interpret the rider's aids
- competition opportunities, classification and permission to use adaptive equipment
