Entries open for club members, sponsors and those that have purchased an early entry code (\$100) at 7pm on the 3rd of March.

Entries open to all other riders at 7pm on the 10th of March. Entries close at 7pm on the 25th of March. Stabling and camping available onsite, booking to be made with entries on Global Entries Online.

Conducted under EA Jumping Rules. Horses only allowed 2 starts per day. All horses and Riders in Ring 1 must be EA registered and have current grading cards. No prizemoney will be paid without cards being produced.

Some notes regarding camping:-

Please note that BDSJC hire this wonderful venue and we do have a few rules we must follow.

Parking needs to be tight to make good use of the room available. Robert's road side of arena is for floats and small trucks needing powered sites who might need to build a small number of yards. No pegs or posts within 1 metre of the fence line due to underground power and water. These powered sites are approximately 7 metres wide. Provided our campers adhere to this we will continue to be allowed to have yards built in this area. Semi's and bigger trucks need to go over by round yard/loading ramp on the opposite side of grounds for power sites and if required build yards there. BYO yards are free however they must be built to EA regulations. The Camping is charged per 2 nights as our show is 2 days and a lot will be travelling a long way, (2 nights - either Fri, Sat or Sat, Sun).

AWEC stable, AWEC covered yard and Southern Cross Stables are \$100 for the duration of the show (2 nights - either Fri, Sat or Sat, Sun) and include 2 bags of shavings. Additional shavings can be purchased.

AWEC outdoor yards are \$40 for the duration of the show (2 nights)

Powered Camping is \$60 for the duration of the show (2 nights)

Unpowered Camping is \$20 for the duration of the show (2 nights) this area has a lot of room for camping and building of yards it is also easy distance to amenities. If you have a generator this area is perfect.

*** If you are planning on bring a stallion, please email teegan@teeganashbyequestrian.com.au before entries open and we will do our best to allocate you a corner stable ***

Stables and covered yards have \$60 bond that will be refunded the week after the show, providing the stables and covered yards have been left in an acceptable condition, free from bedding and manure.

AWEC levy is \$15, one off fee per rider.

Medical fee is \$5, one off fee per rider.

Swabbing levy is \$5, one off fee per horse.

Live editing available the day before competition closing at 3pm daily for the following days classes. Draws for Ring 1 strictly adhered to.
