Marketing & Promotion [1 hour]: The arrival of the COVID-19 pandemic has drastically changed the way sporting clubs market and promote their programs. This workshop is focused on helping clubs adapt to 'COVID-normal' and will explore how you can best attract and retain members and volunteers in this new environment.

Governance – Being your best! [1 hour]: This workshop gives you rare access to legal experts to work through all things governance! Learn about successful structures, the obligations of your committee, and how to succession plan to safeguard your club for the future.

Inclusion & Diversity in Sport [1.5 hours]: Come along and hear our panel speak about their lived experiences in sport as people from underrepresented groups in the community. Workshop participants can expect to walk away with new ideas and strategies for ensuring their club is as welcoming and inclusive as possible.

Grant Acquisition – Writing successful grants [1.5 hours]: As we enter the new financial year it's time to set your club up for success in securing funding through grants! This workshop will give you the tricks and tools to preparing compelling business cases and captivating grant applications.

Financial Planning & Management 101 [1.5 hours]: Calling all club treasurers – this is a workshop not to be missed! Come along as we step you through the basics you need to know to ensure your club is financially sustainable and explore new opportunities for additional revenue streams.

Strategic Planning [1.5 hours]: 2022 is just around the corner – is your club ready? This interactive workshop will help you uncover the purpose of your strategic plan, know what to do when strategic plans don't meet expectations and develop your SMART objectives for the year ahead. Clubs can expect to walk away with 12 month action plan for 2022!
