Cross Country Course

Cross Country Course Designer?

Mick Pineo

Cross Country course description

The cross-country course at Oxley Horse Trials in Victoria winds its way along the scenic banks of the King River, taking advantage of the property’s rolling, undulating terrain. Riders are challenged by a thoughtful balance of natural and manmade fences, including sunken roads, ditches, and solid combinations that test accuracy and confidence. The design blends open, flowing stretches with technical questions, making it an exciting and rewarding course for both horse and rider.
