

NMCO

NMCO advises lab to send out kits direct to BMCO/Sampling Team/EGFA Branch Office for the event. NMCO or BMCO appoints an accredited MCP steward to the event.

Sydney ARFL Testing Lab

Sampling Officials/BMCO

Lab/BMCO/EA Branch Office sends out kits direct to the sampling officials with all the required equipment and paperwork

Steward/BMCO sends completed sample kits direct to the Lab within 24hr post sampling. Lab receives samples (via courier/express post) and processes them.

Sampling Steward/BMCO immediately sends all the post sampling documentation direct to NMCO.

NMCO
Dr Warwick Vale
106 Chittering
Road Bullsbrook
WA 6084

Lab advises NMCO of sample receipt and errors etc
Lab sends results to FEI (for FEI events) and EA National Office.

Sydney ARFL Testing Lab

National Office/CEO contacts NMCO upon receipt of sample results from Lab

FEI

EA National Office/CEO

The NMCO and CEO match up the results with the sample control slips

RIDER

EA CEO advises the National Judicial Committee of results
