Cross Country Course

Cross Country Course Designer?

Ewan Kellett

Cross Country course description

Inviting and well constructed XC by Ewan Kellett designed to encourage young horses as an early season event yet provide variety and exposure to the full spectrum of Obstacles. Extensive work has been undertaken over the past 2 years to rebuild the course featuring a new bank complex and 2x water complexes. Significant work has been undertaken to ensure the going is of a high standard and will be well 'aggravated/aerated' if it is required. If it is mostly flat going suitable for early season fitness levels and the course provides a visibility for spectators to follow horses around most of the course.
