PETstock returns as Title sponsor for the 2023 Equestrian Victoria Interschool State Championships.

Equestrian Victoria is pleased to announce that PETstock has returned as the title sponsor for the 2023 Equestrian Victoria Interschool State Championships. We want to thank PETstock for their support and continued partnership supporting our Victorian Interschool State Championships.

Equestrian Victoria's CEO, Amy Slayter said, "The Interschool State Championships are a showcase event for our under 18 riders in Victoria. We are excited to have PETstock join us to highlight this amazing talent at a great competition. PETstock understands the importance of our horses as athletes and members of our families, which makes them a perfect sponsor for this event"

PETstock's Equine Project Manager, Paul Dixon is equally as excited to continue PETstock's support of the championships – 'We are very proud to return as title sponsor for the Victorian Interschool State Championships in 2023! The engagement and enthusiasm we received from all competitors & the organizing committee for the 2022 event was exceptional and it was a very easy decision to move forward with the partnership. At PETstock we pride ourselves on our family focused culture & values – coupled with our mantra to enhance the lives of pets & people – so there really is no better event to encapsulate that on the Victorian Equestrian calendar than this one!'

The PETstock 2023 Equestrian Victoria Interschool State Championships will be held at Werribee National Equestrian Centre 15-19 April 2023. Over 400 primary & secondary school students from all across Victoria are expected to compete across 5 disciplines with the top riders awarded places to ride on the Victoria team for the national event in September.
