

Notice of Motion to the Annual General Meeting of Equestrian Victoria Inc (EV) 2023

On behalf of the Board of Equestrian Victoria I, Amy Slayter, being a member of EV, in accordance with clause 23.2 of the EV constitution submit the below notice of motion for consideration and voting at the Annual General Meeting to be held on Wednesday 15 Nov 2023.

Background:

Upon receipt of the new Integrity process released by Equestrian Australia (EA), the EV Board reviewed the Grievance Process in the EV constitution to ensure that it = aligned with the new EV process. The Board considered it important that there was consistency between the two bodies to ensure that our standards are maintained.

Upon consultation with EA the Board has agreed that rather than have a separate Grievance procedure from EA, it would be more effective to provide a link between to the two bodies and reference the EA Personal Grievance Process in the EV Constitution.

Motion:

I move as a special resolution that the constitution of Equestrian Victoria Inc be amended as follows:

Part IV – Grievance Procedure is deleted and replaced with.

Part IV - Grievance Procedure:

“The Equestrian Victoria Grievance Procedure aligned within the Equestrian Australia Grievance Procedure here: <https://www.equestrian.org.au/policies>”
