

To all Victorian Eventing Squad Members

We start by congratulating you for making a commitment to The Victorian Eventing Squad. Whether you are a member of the National Squad, State Squad, Prydes Senior Squad, Equissage Young Rider Squad or our Development Squad, we welcome you and hope your time with us is both rewarding and enjoyable.

We aim to provide you with a supportive environment with role models who are more than willing to share their knowledge and experience. We will offer a number of squad weekends with excellent coaches, guest speakers and useful resources.

Our usual weekends consist of 4 lessons, covering dressage, show jumping and cross country.

What we expect from our members:-

- Your agreement to represent our sponsors, our squads and Equestrian Victoria at all times in a positive and respectful manner and within the guidelines of Equestrian Australia
- Provide help with setting up and packing up of showjumping equipment when rostered
- Your help with picking up poles during other showjumping lessons when you are not riding (it is amazing what you can learn watching other lessons)
- From time to time we may ask parents for help with catering for our coaches and guest speakers
- ALL members, including those fully or part funded MUST pay the facility fee with your application

Those members who do receive funding for their lessons, this funding is only available **when you participate in at least two of the lessons on the horse which is nominated as being funded.** If that horse is not available for at least two of the lessons, then you must pay for the cost of the lessons on any other horse you bring.

Please complete and return the following:-

I _____ understand and accept my responsibilities as part of
(insert name)

The Victorian Eventing Squad for 2016 and will act appropriately at all times.

Signed: _____ Rider and guardian if under 18yo _____

Please return either by post, email to eventing@equestrianvictoria.com.au or bring to the first squad if you are attending.

To give everyone the opportunity to live their EQUESTRIAN Dream...
