## PETCOVER GROUP PARTNERS WITH THE JUMPING VICTORIA STATE TITLES.

Equestrian Victoria is thrilled to announce Petcover Group as a major partner for the Victorian Jumping Titles and are looking forward to building a long term partnership with this globally recognised brand.

Petcover is an independently owned and operated pet insurance company that has been insuring pets for over 40 years.

Created by international pet industry experts, they used their knowledge and expertise to create and provide Australia's most comprehensive range of cover.

Operating globally, they are proud to have insured hundreds of thousands of pets through understanding pets needs whilst providing owners with peace of mind.

In Australia, they are a specialist pet insurer offering a comprehensive range of pet cover for cats, dogs, horses and exotic animals, with the widest range of policy options and cover levels to suit.

As equine insurance specialists, Petcover offer Australia's best range of horse insurance, including fee cover and third party liability, ensuring both you and your horse are looked after.

Victorian Jumping Titles Event Directors Clint Rose and Wendy van Sonsbeek said in a joint statement, "It is with great excitement we welcome Petcover group as a major event partner.

We thank Petcover Group for their support and we are looking forward to a long term partnership for the Victorian Jumping Titles.

The Victorian Jumping Titles are running from 28th April until 1st May at Werribee Park Equestrian Centre.
