PRESS RELEASE

2022 TRANS-TASMAN YOUNG RIDER CHAMPIONSHIP

Today we are excited to announce the Victorian team for the 2022 Trans-Tasman Young Rider Championship at the National Equestrian Centre in Christchurch, New Zealand, in early December.

Jumping Victoria has a long heritage of an annual competition with a team of our top Victorian Young Riders competing against Team NZ in the Trans-Tasman Championship. This year's team will be no exception:

- Hayden Parker – High Performance Squad
- Tori Glass – High Performance Squad
- Mikayla Hogg – High Performance Squad
- Arienne Holdsworth-Rose – Rising Star Squad
- Tansy Sagar – High Performance Squad (NO-TRAVELLING RESERVE)

Chef d' Equipe Tonya Holdsworth-Rose will expertly manage the team.

The selectors were impressed with the calibre of applications, and for those who weren't successful this time, we'd love to see you apply next year!

We want to thank Seaway Logistics and Hygain for their generous support - without you, this trip would not be possible.

Congratulations to all team members; safe travels and have a fantastic competition. Go Team Vic!
