

SENIOR A SQUAD & SENIOR DEVELOPMENT SQUAD

SELECTION CRITERIA

To be selected into either of the Senior Squads a combination must submit:

- 3 scores over the % required for that level.
- The scores must be achieved in Official (unrestricted) classes.
- The class scores provided must have a minimum of two judges, and it is the average score of the judges that is to be submitted.

ADDITIONAL INFORMATION

- Scores over two consecutive levels can be provided (encouraging riders to progress through the levels and not stay down to achieve scores).
- Freestyles not included.
- Riders aged between 18 and 25 can select which squad they apply for (Senior or Young Rider).

SCORE PERIODS PER INTAKE

- Jan 2026 intake scores are from January 1st, 2025, to close of application date.
- July 2026 intake scores are from July 1st, 2025, to close of application date.

SQUAD CAPACITY LIMITS

- If capacity does not allow all applicants who have achieved the scores, then priority will be given based on the hierarchy of the scores and the level of the event where the scores achieved, eg DF, DJWTS, National Championships and CDIs.
