# Celebrating 30 Years

The Victorian State Jumping Squad for Junior and Young Riders is celebrating its 30 years anniversary, making this Squad program the longest standing Squad training program nationally under Equestrian Australia. Equestrian Victoria in conjunction with Jumping Victoria are very proud of this long standing history. Many of our competitive and professional riders today, participated in the Squad program, as well as Olympians, Matthew Williams and James Paterson-Robertson.

The State Squad consists of 20 of our high performance junior and young riders, in conjunction with the Development Squads ranging from riders competing at 80cm up to 1.20m and our Squadettes grass roots jumping program for riders under 12 years.

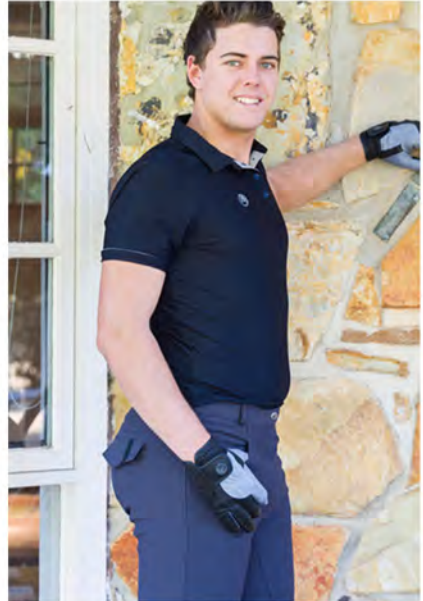

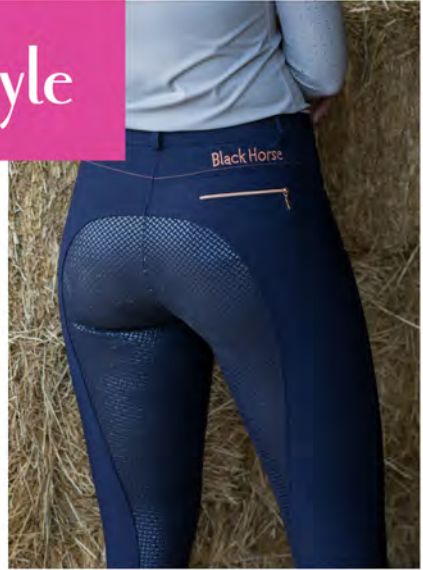

Jumping Victoria are very grateful for the sponsorship support of the Squad training program and would like to thank Black Horse Clothing for the State Squad uniforms and Strathmerton Drilling for their generous sponsorship contribution in 2019.

### Conditions of Squad Challenge Events

- Squad coaches will be available to assist with walking the course, warm up in practice arena and feedback of round with tips for improving performance.
- If riders enter the Squad Challenge on more than 1 horse, they must nominate the horse for the Challenge prior to event commencing and ride this horse as their first ride.
- The coach will still give assistance with any additional horses, however additional horses will not be eligible for placings.
- Riders must compete in the Development Squad they have been training and allocated. This is also in conjunction with consultation and feedback from the Squad coaches – as some riders have had changes in horses and they may not currently be at that level for competition.
- On Saturday afternoon there will be freshmans available in the indoor from 1pm (heights 90cm, 100cm, 110cm) you can enter these rounds via Global Entries and coaches will be on hand to give advice and feedback to riders – great opportunity to do some training on course - indoors!

**Squad tops are acceptable for all the competitions on Saturday and Sunday, however white breeches are required.**
