Cross Country Course Description

Cross Country Course Designer?

Sylvia Roberts

Cross Country course description

The original Ewan Kellett designed course was built for the 2008 Pony Club State Championships and has been further refined by Sylvia Roberts in 2018 - 2020. This is a technical course that has proved very popular with the riders and provides the right amount of variety and challenge. A number of the fences are under maximum height and ideal for bringing on young horses. The terrain is open with gentle undulation providing a good galloping track for lots of fun and enjoyment.
