Cross Country Course Description

XC Course Designer? Sylvia Roberts

Cross Country course description

The original Ewan Kellett designed course was built for the 2008 Pony Club State Championships and has been further refined by Sylvia Roberts in 2018 & 19. New fences have been added over the years thus increasing the challenge and variety of the course. A number of the fences are under maximum height and ideal for bringing on young horses. The terrain is open with gentle undulation and provides a good galloping track and plenty of enjoyment. Extensive aeration will be undertaken across the whole venue this year
